

**Question for written answer E-000019/2025  
to the Commission**  
Rule 144  
**Virginie Joron (Pfe)**

**Subject:** Stigma created by Commission's refusal to recognise harm caused by COVID-19 vaccines

1. Will the Commission set up a working group, potentially in collaboration with the Covid Vaccine Injury Alliance<sup>1</sup>, to identify the challenges facing the patient group concerned and find solutions?
2. Will it ensure that all EU citizens who have been harmed by the COVID-19 vaccines have access to systematic diagnosis and effective treatment, and will it publicly recognise the harm suffered by citizens as a result of COVID-19 vaccination to put an end to the stigma around it?
3. Will it commit to introducing fair and full financial compensation for EU citizens harmed by COVID-19 vaccines?
